

I NEVER understood why people fuck over each other GOING out of this shithole in a DECORATED pine-box covered up in flowers riding in back of a black limousine IF THAT FUCKING MUCH DESTINED to a hole in the ground to spend forever rotting into dust.....why? WHY?! DOING ALL THEIR DEEDS IN DUST NOTHING MORE ASHES OR DUST WHAT IS THE DIFFERENCE? SUCH A SMALL GLASS OF WINE TO WASTE SO MUCH ON THE REMAINS OF A LIFETIME.....

"Fire" lyrics

The Crazy World Of Arthur Brown Lyrics

"Fire"

I am the God of Hellfire and I bring you

Fire, I'll take you to burn

Fire, I'll take you to learn

I'll see you burn

You fought hard and you saved and earned

But all of it's going to burn

And your mind, your tiny mind

You know you've really been so blind

Now's your time, burn your mind

You're falling far, too far behind

Oh no, oh no, oh no

You're gonna burn

Fire, to destroy all you've done

Fire, to end all you've become

I'll feel you burn

You've been living like a little girl

In the middle of your little world

And your mind, your tiny mind

You know you've really been so blind

Now's your time, burn your mind

You're falling far, too far behind

Ooh

Fire, I'll take you to burn
Fire, I'll take you to learn

You're gonna burn
You're gonna burn
You're gonna burn
Burn, burn, burn, burn, burn
Burn, burn, burn, burn, burn

Fire, I'll take you to burn
Fire, I'll take you to learn
Fire, I'll take you to burn
Fire, fire...

.
